Explanatory Memorandum

This Explanatory Memorandum relates to the General Meeting of the Company to be held at **Level 15, 100 Pacific Highway, North Sydney NSW 2060** on **Friday, 8 June 2018** at **11.00am AEST**.

Resolution 1. Voluntary Winding-up

Resolution 1 authorises the Company to be wound-up and the Liquidator to divide among the members *in specie*, the whole or any part of the property of the Company and for that purpose set such value as they consider fair upon any property to be so divided and determine how the division is to be carried out as between the members.

The Company disclosed in the Prospectus dated 7 November 2011 and the Information Memorandum dated 13 September 2013 that it would seek Shareholder approval to wind-up the Company following the maturity of the longest dated underlying fixed income security or the sale of the last of the fixed income securities held in the Company's portfolio. The Company was structured with a defined term and an explicit mandate to return all available capital to Shareholders, subject to their approval, as and when the underlying fixed income securities mature.

On 26 February 2018, the Company announced details of the final capital return. The Company distributed the funds from the final capital return on 9 March 2018 and as a result the net issued capital per Share has been repaid to investors in full. In the event that the Liquidator identifies any residual assets these will be paid as dividends to Shareholders as part of the wind-up process. The amount of any final distribution payment will be dependent on remaining liabilities at the time of wind-up and winding-up costs but the Directors do not expect any such distribution to be material.

If this resolution is passed, a transfer of Shares or an alteration in the status of members of the Company will be void unless the liquidator gives written consent and that consent is unconditional or if the consent is subject to conditions, those conditions have been satisfied or the transfer of Shares or the alteration in the status of the member of the Company is authorised by the Court.

Pursuant to Section 491(1) of the *Corporations Act*, this resolution must be passed as a special resolution. To be approved as a **special resolution**, not less than 75% of the votes which are cast of those members eligible to do so, must be in favour of this Resolution.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

Resolution 2. Liquidator

On the condition that Resolution 1 is passed, Resolution 2 authorises the Company to appoint Martin Walsh Chartered Accountant to act as Liquidator of the Company.

At a recent meeting of the Directors, the Directors resolved that at this General Meeting of members, the members consider a resolution to place the Company into voluntary liquidation and that Martin Walsh Chartered Accountant be appointed to act as liquidator for the purpose of such winding-up.

Resolution 2 must be passed as an ordinary resolution. To be approved as an **ordinary resolution**, not less than 50% plus one of the votes which are cast of those members eligible to do so, must be in favour of this Resolution.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2.

Resolution 3. Costs of Liquidator

On the condition that Resolutions 1 and 2 are passed, Resolution 3 authorises that the Liquidator costs are all proper costs, charges and expenses of, and incidental to the winding-up be approved to a maximum of \$15,000 (excluding GST) and that the Liquidator be authorised to draw the remuneration on a monthly basis or as required."

The Company disclosed in its Information Memorandum that it was anticipated that professional advisors' fees required to effect a solvent voluntary winding-up of the Company will be in the order of \$16,500 plus GST and disbursements.

Any surplus funds that remain in the Company will be distributed to Shareholders after paying costs associated with the voluntary winding-up and absolving all outstanding liabilities of the Company.

Resolution 3 must be passed as an ordinary resolution.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

Resolution 4. Books and Records of the Company

On the condition that Resolutions 1 and 2 are passed, Resolution 4 authorises, subject to obtaining the approval of the Australian Securities and Investments Commission (**ASIC**) pursuant to Section 542(4) of the *Corporations Act 2001*, the books and records of the Company and of the liquidator be disposed of by the Liquidator 6 months after the deregistration of the Company, or earlier at the discretion of Australian Securities and Investment Commission.

Section 542(3)(b) of the *Corporations Act* provides that subject to ASIC's approval the books and records of the Company and of the joint and several liquidators may be destroyed within a period approved by the members.

Resolution 4 must be passed as an ordinary resolution.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4.
